Synopsis

A great Realist painter, Edward Hopper (18821967) created some of the most iconic images of the American landscape which capture the rugged quality and enduring spirit of the country. The coastal areas of New England, and Cape Cod in particular where he made his summer home, inspired some of Hopper's most memorable and appealing works. This book brings together a wonderful selection of paintings, watercolors, and drawings of the seashore.

Deborah Lyons has written a number of books on Edward Hopper. She lives outside New York City.

I purchased this book for use in my classroom teaching our Meet the Masters program. While extremely through and complete, the vocabulary is a bit high and complicated for the majority of students. It would be better suited for older students.

A gift for my mother! she loves it
