Car Talk Field Guide To The North American Wacko

Synopsis

A radio road trip across America features some of the nuttiest callers ever to phone the show. Each week millions of radio listeners tune in to National Public Radio's Car Talk. A high point of every show is the call-in segment, when listeners phone in for advice and regale hosts Click and Clack with tales of their own automotive misadventures. Like Dave from Bemidji, Minnesota, who drives his Chevy Cavalier home from Alaska when it already has 350,000 miles on the odometer. And Dinesh, who strolls across Death Valley. Rather than worry about buzzards, he's concerned about how his car will hold up in the heat. Christy wants to know if she fried her dad's Citation. Adrienne frets that a load of rocks might crush her Saab. Single guy John wonders if he should tidy up his car for a first date or reveal its trashy self. And when Ann's husband travels from Georgia to Florida to get his vasectomy reversed, Ann drives like a banshee to bring him back home. Ever since, their Caravan makes strange grinding noises. It seems that lunatics aren't confined to Car Talk Plaza. They're everywhere, and they're dialing the phone. Four hilarious radio shows celebrate the land of the free, home of the wacko.

Customer Reviews

I wish I had known my uncle loved their show, before dying of cancer, because I have loved it for many years! You don't have to understand cars or need their advice to laugh with the two well-educated jokers!

Always a hoot!Pure entertainment.My only regret is that there will be no more new episodes doe to

the loss of Tommy.

There will never be anything to match Tom and Ray Magliozzi. I am just lucky to have been able to have heard them live. Now with this CD I will be able to have them in the car with me any time I want.

can't wait to listen to it.

This was a gift and the recipient has really enjoyed it. It was purchased because other Car Talk CDs have been so well received.

Got this for my son for Christmas, and now the torch has been passed to my grandson. He loves to listen to all the Car Talk cds.

I purchased Car Talk CD as a gift for my daughter. She lives in New Mexico and she gets this program on the radio. It is her favorite and she will enjoy this CD.

We have heard all the "Click and Clack" brothers CD's. This has to be one of the funniest.
