Extreme Face Painting: 25 Friendly Step-by-Step Demos (Enhanced Edition)

Synopsis

Extreme Face Painting: 25 Friendly Step-by-Step Demos (Enhanced Edition) puts a new face on fun! No matter what your experience level, you can turn everyday faces into sweet and funny works of art that move, laugh, grow and always make people smile! These 25 face painting examples feature fun, friendly transitions, such as birds and butterflies, puppies and princesses, knights and night skies. Includes: A video demo of various face painting techniques, Easy-to-follow instruction from two award-winning artists, 25 step-by-step projects ranging from simple to more advanced. Designs include popular kid and adult themes for parties, performances, Halloween and other occasions. Expert techniques for painting remarkably realistic textures, making human features virtually disappear, creating the look of age and other surprising, fool-the-eye effects. Full of detailed instruction for beginners and fresh inspiration for seasoned painters, Extreme Face Painting: 25 Friendly Step-by-Step Demos (Enhanced Edition) will help you make art as original as the face that is painted!

Customer Reviews

I am an artist who does face painting for a local charity during fundraising events. This book was

just what I needed to create professional looking faces. It has step by step photos that are easy to follow and gives lot's of information to help you get the right results. While I think this book is aimed more at professional face painters, I would think if you had the right paints, and followed the steps, just about anyone could get the same results. If you are looking to "up your game", this would be the perfect book.

Good ideas, but not amazing

Pros:- Beautiful face painting designs;- Good step-by-step instructions;- Good photos.Cons:- I thought there would be a video for each of the designs in this book, but there's only a video for one of the designs.- Most of the designs are way too complicated for most amateurs (like me) -- even with the step-by-step instructionsBiggest negative for me: the video instructions do not work in my iPad Kindle app. That wasn't apparent in the item description on .com.

Great step by step instructions are easy to follow. It educates you on the things you need as well.

As always, the Wolfe boys do not disappoint. Great resource and I love the pig faceÃƒÂ¢Ã ¬Ã Ã¡.somehow they made it cute.

I bought this book thinking it was more instructional than the book actually is. I wish it was more of this is how you do this step by step but it was more of figure it out your self with each pic. There wasn't even good captions for it.

Easy, fun, step by step designs. It was a total hit at the birthday party. Thank you! Really great book!

The awesome Wolfe Brothers have done it again! Excellent step by step guide to start a face painting business, school fairs or just for fun. Love it!
