## Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

Exactly what I wanted and had had no luck at all finding until locating this map company. I will certainly go to ITMB the next time I need an unusual map.

This was a fairly good map of Yemen. I used it during my trip to the country although many times smaller villages and certain roads did not even appear on the map.
