Oh, The Meetings You'll Go To!: A Parody

Synopsis

Every young grad needs this fun, snarky primer for the real world. You'll meet the world's brightest, you'll hang with the best! And now that you've met them, you'll work with the rest! If you're looking for an inspirational book for young people starting life's great adventure, you probably want to read Dr.

Seuss's Oh, the Places You'll Go! But before your first day of actual work, you need to meet Dr. Suits for a dose of reality. You won't learn this stuff in high school, college, or gift books by world-famous authors. But fear not! With his unique blend of hilarious verse and images, Dr. Suits can help young grads get a handle on what's really about to hit them. Oh, the Meetings You'll Go To! is a brutally honest, and ultimately uplifting, take on the struggles of post-grad life that every 20-something will relate to. Tough love never made you laugh so hard.

Dr. Suits is the pseudonym of a first time author who has gone to far too many meetings over the years.

Hilarious parody of dr Seuss. This would make a great gift for any overworked person trying to climb the corporate ladder. It Would also make a great graduation gag gift or gift for someone who just got promoted in their company.

I gave this to my sister for her graduation and she loved it!!!!

What a book, don't be a snook, give it a look

Great book for the college graduate! Slip in some money and you're ready to go.

Bought as a gift to a friend who just graduated law school. Loved it.

Great for graduate students gifts

I had to laugh out loud through this wee book - very enjoyable and realistic look at corporate/business life - fun read.

Oh my god, this is too perfect. If you have ever sat through a corporate meeting (or an academic one!!), or spent time in such a world, you will find yourself nodding your head and chuckling on every page. I think Ted Geisel himself would have loved this book. And just in time for graduations! I can think of five people I have to buy this book for. Kudos to the design team for an absolute gem.
