Customer Reviews

Branson offers the beauty of the Ozark Mountains, rivers, and lakes as well as a variety of family activities and diverse entertainment. Join author W.C. Jameson as he explores the historical background of the region, the music scene, the surrounding countryside, and the local attractions, including: Boating, fishing, camping on area lakes and riversExploring caverns and cavesRestaurants, cafes, dinner theatersHotels, inns, bed and breakfasts, campsitesFamous entertainersCountry western, bluegrass, gospel musicGolden oldies, comedy, magicShopping, discount outlet mallsGolf coursesParks and activities for kids of all agesArea-wide art and music festivals

I have always felt it is better to be informed before going on a vacation instead of taking the laissez faire come-what-may attitude. I like spontaneity, but I am afraid I will miss out on some of the really good stuff.Unfortunately, this book is several years old, and much of the information is out of date. However, the historical information, the outdoor activities info, and general information on the Branson area is great. The weakest section is on the many performers and shows that make

Branson famous, and that is the result of so many changes in the theatre lineup since this book was written. There is an excellent section on restaurants that makes you want to travel to Branson just for the meals. Many of these restaurants have survived the years, but many new ones have appeared since this was written. I use this book as a guide - if a specific restaurant appeals to me, I use the Internet to try to verify and update the info. This is a very good book, a true five star rating, if only it was more current.

WHAT CAN I SAY! I LOVED THE BOOK, YOU WILL TO!
