Fodor's In Focus Turks & Caicos Islands (Travel Guide)

Synopsis

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. A favorite destination for American vacationers who are looking for a safe and comfortable beach getaway, the Turks & Caicos Islands offer some of the most beautiful water in the world. The pristine waters here have been known to divers for decades, but the islands also offer opportunities for snorkeling and deep-sea fishing for travelers who can pull themselves from the silky sands in front of their excellent resorts. This travel guide includes:

- Dozens of maps
- An 8-page color insert with a brief introduction and spectacular photos that capture the top experiences and attractions throughout Turks & Caicos Islands
- Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks
- Coverage of: Providenciales, Grace Bay, The Caicos and the Cays, Grand Turk, Salt Cay

Customer Reviews

"Fodor's is pitched a few notches higher, aimed at a fairly discerning traveler with an appetite for background and the occasional surprise. The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions. In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." — Booklist

super-informative guidebooks are known for accuracy and attention to detail. Fodor's can help you plan the perfect adventure.

For over 80 years, Fodor's Travel has been a trusted resource offering expert travel advice for every stage of a traveler's trip. We hire local writers who know their destinations better than anyone else, allowing us to provide the best travel recommendations for all tastes and budget in over 7,500 worldwide destinations. Our books make it possible for every trip to be a trip of a lifetime.

We had not been to TCI since 1991. We used and appreciated this comprehensive guide. It was usefully organized and helped us make decisions in our explorations. Providentiales, where we stayed, has grown amazingly and apparently is continuing to do so in all it offers, but still signage, even for streets, is desperately lacking. The cue in on the roundabouts & warning of driving on the right are well advised. If one desires to remain in one resort (and there are beautiful ones), a guide is less needed. Updates and good maps are crucial to take best advantage for those wanting to better appreciate the many facets of this unusual place.

This book met our needs perfectly on a one-week vacation to the islands. A great supplement to trip advisor.

Great book! It helped us plan out our trip and maximize our time on the island. The reviews were in keeping with how we would have rated many of the places ourselves. A must have for discovering many of the great things Turks & Caicos has to offer

Another great book that covers the most interesting and useful places on TAC.

I would have liked more history of the island and local tips. It was mildly useful, but I would not get it in hindsight. If I were you I would use the trip adviser website for insider info and the low down on where to go. I was hoping this would be a one stop hand help stop for what to do and eat- but it just isn't very useful in that regard.

It was invaluable during our recent trip to the island. Any one considering a trip to Turks and Caicos should consider buying this guide.

great

Accurate and up to date. Really helpful.
