Synopsis

Otro, el favorito, sin que necesariamente haya hecho mÃƒÂ©ritos para ello. La historia se centra en los personajes de dos amigos, JoaquÃƒÂ-n Monegro y Abel SÃƒÂ¡nchez, y estÃƒÂ¡ contada desde el punto de vista del primero. JoaquÃƒÂ-n nos relata los muchos sufrimientos que, a lo largo de su vida, le provoca la envidia que siente por su amigo Abel. Este sentimiento se ve exacerbado cuando Abel desposa a Helena, la mujer que JoaquÃƒÂ-n amaba. Para ÃƒÂ©ste, entonces, serÃƒÂ¡n inÃƒÂºtiles todos los intentos que haga por superar esta rivalidad. Please note: This audiobook is in Spanish.

Thanks so much, , for carrying a wonderful stock of books. These are for college classes and it is wonderful that you delivered so fast.Primera memoria is a great book from Ana Maria Matute which revolves around the mentality of different classes around the time when the Spanish Civil War was starting. The character of the old grandmother, her beliefs, etc, paint a very accurate picture of the coldness of the upper class. Other psychological themes reveal the extent of the intellectual, political, religious, social, economic division in Spain that culminated with the bloody war.Abel Sanchez is a classic to read from Unamuno, one of the greatest writers of Spain. Full of mythological archetypes and the eternal fight between good and evil, envy and generosity, jealousy between brothers/friends that reveals a great division within the Spanish society and its mentality.

It did not meet my expectations because it did not specify the language when I bought the book I

needed it in English not Spanish so I wasted my money buying this book and now I have it and it is wasting space on my bookshelf

Excellent text for teaching students! Great transaction. Thanks!

Loved it. Simply written, classic story of envy and competition between friends who otherwise love each other. Great book, great writer. The writer's knowledge of human beings, their emotions, insecurities and obsessions is clearly revealed, and demonstrates why envy may be the worst of the sins.

This story is for someone that is into religion. It's required reading for Spanish classes but I found the book boring, I am not into the history of Cain and Abel. But I suppose that it's a good way for a professor to teach religion at a public university. I would not get it again but I'm sure that there are people out there that are into this kind of stuff. It basically made taking the class worse than attending a Catholic school.

Miguel De Unamuno uses his two lead characters Abel Sanchez and Joaquin Monegro along with more than enough biblical metaphors to tell this wonderful story. This is possibly one of the best books I have ever read and if you are an avid Latin American Literature aficionado as I am, I highly recommend this gem of a book.
