Everything You Need To Know About An Alcoholic Parent (Need To Know Library)

Synopsis

Accelerated Reader is a program based on the fact that students become more motivated to read if they are tested on the content of the books they have read and are rewarded for correct answers. Students read each book, individually take the test on the computer, and receive gratification when they score well. Schools using the Accelerated Reader program have seen a significant increase in reading among their students. These books help teens, who often feel uncomfortable talking about their problems, find the information they need.
