The Best 167 Medical Schools, 2014 Edition (Graduate School Admissions Guides)

Synopsis

We can help you make the right decision. The Princeton Review's *The Best 167 Medical Schools* gives you the facts about admissions requirements and curricula at the top accredited U.S., Canadian, and Puerto Rican allopathic schools, as well as accredited osteopathic and naturopathic schools. It provides answers to all the practical questions you should ask when applying to medical school, including:

- Answers to common admissions questions
- Key information about deadlines, tuition, and admissions criteria
- Information on each school's training programs, student life, and more
- How much financial aid is available and how can you get it

The Best 167 Medical Schools also includes a special section for nontraditional applications with financial implications, school-specific help, and tips on surviving the MCAT. You'll also get easy-to-use snapshots of each school's admissions criteria, deadlines, telephone numbers, tuition figures, e-mail and snail mail addresses, and other key info.

Customer Reviews

The experts at The Princeton Review have been helping students, parents, and educators achieve the best results at every stage of the education process since 1981. The Princeton Review has helped millions succeed on standardized tests, and provides expert advice and instruction to help parents, teachers, students, and schools navigate the complexities of school admission. In addition to classroom courses in over 40 states and 20 countries, The Princeton Review also offers online

and school-based courses, one-to-one and small-group tutoring as well as online services in both admission counseling and academic homework help. --This text refers to an out of print or unavailable edition of this title.

Best book of its kind

I bought the book for my daughter who will start medical school this coming summer. She likes it. I recommend it.

Very good!

This edition no longer gives detailed statistics for number of applicants interviewed, acceptances offered and final number of matriculations. Also there does not seem to be any new information over last years edition at all. Very disappointed.

I received this product on time and in very safe packaging. Cutting a watermelon was the first opportunity to use it. It sliced through the whole melon easier than any product I've owned before. Can't beat that. I'm happy. fast shipping. my brother like it , great, and very happy. low price and high quality.
