As an MGH nursing student in the mid-60's, I'm tickled to see their pictures and read anecdotes by and about a number of the docs I remember.. The memories come flooding back-- What fun!-- A

lovely book!--Bonnie T.

A delightful read - the wit and wisdom of so many of the physicians and nurses who contributed to making MGH a premier health facility.

Does not reflect the teachings of many of the groundbreaking practioneers at MGH. Very narrow, limited perspective.

Fascinating collection of vignettes of a number of people I knew.
