Book by Dierckins, Tony, Elliott, Kerry

If you are visiting Duluth, this has a great variety of topics to interest just about anyone- from local food nooks to saunas. They even have a self guided walking tour. If your new to the area and want to find some of the less known, but still worth while areas then this books is a great resource. The only draw back is that it is out dated. If a newer edition comes out then I'd get that one.
