Charles Timmerman is the founder of Funster.com, a word game website that was selected as a Yahoo! Pick of the Year, and the author of more than 100 puzzle books, including The Everything Word Search Book, The Everything Giant Book of Word Searches (Volumes 1 to 4), and The Everything Easy Word Search Book.

I bought this for my elderly mother. She loves doing word searches. The large print was perfect for her. She does not even need to put her reading glasses on to enjoy doing the word searches. Highly recommended!

I purchased this for my 91-year-old mother-in-law and she loves it. She has recently decided she likes word searches and now can't get enough of them. She was very thrilled when she saw this. The puzzles are large enough that she doesn't have any problem seeing the letters with enough words on each puzzle to take a while to finish. I think I made her happy with this purchase.

The word searches are fun but the word search box is very small. They should make it much bigger so it's easier to do and less messy. It's somewhat hard to see.

I purchased this book for my son, in prison, and he really loves it. It has a lot of puzzles and takes his mind off of his situation. It should keep him occupied for a while. I would buy this book again.

Love this book. Puzzles are very challenging. The only down side is, I wish the puzzles on the right hand pages were placed on the inside of the page instead of the outer edge. Would make circling easier.

I love love word searches and this book has kept me entertained. Sitting at doctors appointments, getting my hair done, and Etc!

If you like word searches that offer a challenge, this may be your book.
