Customer Reviews

Accent On Achievement Volume1 Bb Trumpet

Well, I ordered this book in hopes of learning a bit on how to play trumpet, and Im glad that I did. I had a similar book when I first learned my home instrument, Alto Saxophone, so I knew it would be a good idea to get a book with some basics!

This book is part of a level set. It has outstanding learning factors. Please consider getting many levels I'm sure you will be happy. If you do the work you'll play soon.

Great book!
