# The Art Of Writing For Children: Skills And Techniques Of The Craft

## Synopsis

Writing for children takes more than desire, or memory, or personal experience, or knowing what children like. It is both an art and a craft. What is art cannot easily be learned, but what can be taught are the skills and techniques, the crafting, that editors look for. That is what this book does

## Book Information

Paperback: 135 pages

Publisher: Archon Books (November 1991)

Language: English

ISBN-10: 020802297X

ISBN-13: 978-0208022974

Product Dimensions: 8.5 x 5.4 x 0.4 inches

Shipping Weight: 7 ounces

Average Customer Review: 3.0 out of 5 stars 1 customer review

Best Sellers Rank: #2,877,947 in Books (See Top 100 in Books) #33 in [Books > Reference > Writing, Research & Publishing Guides > Writing > Children's Literature](#) #374 in [Books > Teens > Education & Reference > Language Arts > Composition & Creative Writing](#) #10389 in [Books > Reference > Writing, Research & Publishing Guides > Writing > Fiction](#)

## Customer Reviews

Writing for children takes more than desire, or memory, or personal experience, or knowing what children like. It is both an art and a craft. What is art cannot easily be learned, but what can be taught are the skills and techniques, the crafting, that editors look for. That is what this book does

This is a broad-based book with advice for writers who have narrowed their interest to, as the title suggests: writing for children. While a good introductory to this medium, it is not detailed in one way or another; so, if you find you have a particular genre or type of childrens book you would like to develop--or have already started--consider this book an accessory, not an integral addition to your library. It will only gloss over the different topics with one or two examples...and I didn't agree with several of the author's opinions. It's too expensive for the half-hour read that it is, anyway.
