Bearing My Boss's Baby (An MPreg Romance)

Synopsis

One bad decision...Claude never meant to admit he had a crush on his boss, let alone sleep with him at an office party! Everything seems to be going back to normal, right up until the pregnancy test shows positive. Kevin seems to want to forget anything ever happened, but that's impossible with a baby on the way. Followed by another...Moving into Kevin's penthouse seemed better than trying to bring up a baby in his tiny apartment, but Claude's going crazy being this close to the man of his dreams. Kevin seems like he's going to be the best dad ever, which is only making Claude's hopeless love worse. And then a third...The two of them seem to be getting closer and closer, but Claude doesn't know what it means? Can he stand having his heart rebroken every day? Or will he push their status quo to the breaking point and lose his chance to make this family a reality?

Bearing My Boss's Baby is a 30K romance novella with mpreg, no cliffhangers and a HEA.
