Best Sellers Rank: #1,498,368 in Books (See Top 100 in Books) #33 in Books > Arts &

Photography > Music > Musical Genres > Military Marches

Customer Reviews

Now I need to read it again!! There is so much great information that it is tough to take it all in. I am going to go back and take some notes so I can pass it along to my students.

A must have for every serious brass player!

Fantastic! A great achievement and a must for brass players of all standards on every level.
