Making Bits And Pieces Mosaics: Creative Projects For Home & Garden

Synopsis

Bits and pieces, pique assiette, memoryware -- there are many names for this unique folk art technique that has flourished for centuries around the world. Mosaic art, revered for its intricacy and beauty, can now be made by anyone with the simple methods found in Making Bits & Pieces Mosaics. Marshall's easy-to-follow techniques make it fun for readers to transform everyday items into one-of-a-kind works of art by attaching broken dishes, ceramics, jewelry, and glass to a wide range of surfaces. With clear, step-by-step directions and inspiring photographs, crafters can create fabulous projects of their own, including flower pots and vases, lamps, fireplace mantels, bird baths and bird houses, plant stands, garden tables, walkways, and more!
