Optimism Sounds Exhausting (Dilbert)

Synopsis

Does Scott Adams really have a hidden camera in your cubicle? Dilbert, the cubicle-dwelling drone, is at his satirical best with this new collection of cartoons. Dilbert has managed to keep up with technology like iPads and Twitter over the years, as well as advanced systems like the Disaster Preparedness Plan that has its followers eating the crumbs from their keyboards. It doesn't get any more sophisticated than that. It's an office code violation to be this good after so many years, but Dilbert keeps doing what he does best: passive-aggressively out-witting his superiors and exercising conflict avoidance. And he is so good. No wonder office drones and workforce automatons alike can't resist the cold embrace of Dilbert's workplace.

Book Information

Series: Dilbert (Book 43)

Hardcover: 168 pages

Publisher: Andrews McMeel Publishing (November 10, 2015)

Language: English

ISBN-10: 1449463002

ISBN-13: 978-1449463007

Product Dimensions: 8.9 x 0.7 x 9.2 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Customer Reviews

What started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay Area since 1979.

Scott Adams never disappoints. I've been reading his books since I was in high school and boy do they make me laugh even more now that I'm established in the office world.

Standard Dilbert. Funny as it gets. Don't know how he does it day after day. The most consistently

funny daily since The Far Side.

I like Dilbert a lot, but I really don't care for hardback comic books. I've bought every Dilbert comic-strip book up to now, but this will be my last one if they don't go back to paperback. :-)

As always, Scott Adams does not disappoint. My husband is a huge Dilbert fan and enjoys receiving a new book every year for the holidays.

More sage observations about human nature from Scott Adams.

I like Dilbert - a good compilation, however, don't spend too much time, otherwise become extremely jaded.

People described are in the workplace daily.

always funny
