# The Barbarians Are Here: Preventing The Collapse Of Western Civilization In Times Of Terrorism

## Synopsis

AS OUR CIVILIZATION RUSHES HEADLONG TOWARD COLLAPSE, IT SEEMS THERE IS NOTHING WE CAN DO TO AVERT CATASTROPHE . . . OR IS THERE? For decades, Americans were vaguely aware that Islamist barbarians were in the deserts of the Middle East and in the mountains of Afghanistan and Pakistan, executing infidels and raiding villages with unrecognizable names. But the Muslim world seemed far away, remote, and irrelevant to our daily lives. Then came the terrorist attacks of 9/11, followed by attacks at Fort Hood, the Boston Marathon, San Bernardino, and more. Now terrorists seem to be emerging everywhere, unleashing senseless death and destruction on our nation. They are here, and their goal is nothing less than global conquest. Motivated by ancient prophecies, they are flooding into Western countries determined to conquer our countries and establish a global Muslim caliphate. In *The Barbarians Are Here*, Dr. Michael Youssef provides clear insight into the motives and mission of the Islamic extremists. He offers practical steps we can take right now to begin a New Reformation that will restore the hope of Western civilization. It's not too late. We are not doomed to destruction, even though the barbarians are already here. But we haven't a moment to lose. Let this book shape how you think, pray, and take the Gospel to the ends of the earth. -- R. Albert Mohler, Jr., President of The Southern Baptist Theological Seminary I want every American, every citizen, and every member of my family to read this book. It is foolhardy not to. -- Pat Boone, Entertainer, Pat Boone Enterprises

We are not doomed to destruction, even though the barbarians are already here. But we haven't a moment to lose.

This is a great book - very informative. Thanks

This is informative, challenging and encouraging. It is an eye-opener as to the reality of the ISIS effort. It is not a doom and gloom story. A solution is offered.

shocking TRUTH! everybody must to read.

great, timely information

Everyone should read this book. Insight that most of the news media know nothing about...

This is a must read for ALL! A fantastic truth for every eye to see! Dr. Yourself hits the bullseye with this one.

Michael Youssef is a good author. Easy to read and understand. Lot of useful information. Came on time and in perfect condition.

Excellent author!
