after the shock of being diagnosed as pre diabetic, this book was a life saver both mentally and physically. I could eat a lot of foods that I thought would be forbidden. recipe directions are straight forward therefore basically quick to put together. I will be using this book a lot!

Very nice cookbook. Hard to find cookbooks for Pre-Dabetics.

Since I was just diagnosed I have been looking for a book just like this one. Clear, honest with a mix of valuable information as well as the recipes.

This is a very good book for a person who has no idea how to deal with Pre-Dabetes. The recipes are mostly easy and tasty.

Great cookbook. Contains healthy recipes that anyone would enjoy.

I love this cookbook. There were a few recipes I didn't care for, but all in all, it is a good book. I use it at least twice a week.

Arrived as promised. Sent as gift.

Wasn't a very good guide. And recipes, so,so. Found better help on you tube
