Excerpt: ... That they may do and speak what things they will. Cre. All Thebes sees this with other eyes than thine. Ant. They see as I, but bate their breath to thee. 509 Cre. And art thou not ashamed, from them to differ? Ant. To reverence a brother is not shameful. Cre. And was not he who died for Thebes thy brother? Ant. One mother bore us, and one sire begat. Cre. Yet, honouring both, thou dost dishonour him. Ant. He in the grave will not subscribe to this. Cre. How, if no less thou dost revere the guilty? Ant. 'Twas not his slave that perished, but his brother. the. The enemy of this land: its champion he. Ant. Yet Death of due observance must not fail. Cre. Just and unjust urge not an equal claim. 520 Ant. Perchance in Hades 'tis a holy deed. Cre. Hatred, not ev'n in death, converts to love. Ant. Not in your hates, but in your loves, I'd share. Cre. Go to the shades, and, if thou'lt love, love there: No woman, while I live, shall master me. Enter Ismene. Chor. See, from the palace comes Ismene-- Sisterly drops from her eyes down-shedding: Clouded her brows droop, heavy with sorrow; And the blood-red tinge of a burning blush Covers her beautiful downcast face. 530 the. Thou, who hast crept, a serpent in my home, Draining my blood, unseen; and I knew not Rearing two pests, to upset my throne; Speak--wilt thou too confess that in this work Thou hadst a hand, or swear thou didst not know? Ism. I'll say the deed was mine, if she consents: My share of the blame I bear, and do not shrink. Ant. Justice forbids thy claim: neither didst thou Agree, nor I admit thee to my counsels. Ism. I am not ashamed, in thine extremity, 540 To make myself companion of thy fate. Ant. Whose was the deed, know Hades and the dead: I love not friends, who talk of friendliness. Ism. Sis...

Not knowing Ancient Greek this seems to me a good version of the play. They have a section which explains how the plays were performed and what the various participants were suppose to do. It made me want to find a dvd with the play performed as it would have been done in Ancient Greece. The sections on various aspects of Greek life and how they pertained to the play were also valuable. This is a good introduction to the play.

I used to teach Antigone and consider this translation my favorite because the language just feels contemporary. I enjoyed the background material too. This material was succinct, to the point and useful.

One of the great classic works of ancient Greece. Antigone by Sophocles is a major contribution to the earliest forms of drama, fiction, and stage play writing. It remains an invaluable source material for the development of tragedy through the years.

The story is excellent and entertaining. The translation was a bit Shakespearean, but not unreadable.

its a good version of it. i had to read this for class and i used this version. i read it in high school so i knew what was going to happen and i got it to review it. its a great mythology story. even if you dont have to read it for a class its still really good

it's good

It's an interesting play but I don't recommend it unless you're required to read it or bored out of your mind.

A masterpiece.
