Patti DeLano is a travel writer and photographer who has vacationed in Arkansas for more than twenty years. She is also the author of Kansas Off the Beaten Path and Missouri Off the Beaten Path.

I should have looked closer. I'm sure some visitors will get something out of this, but basically, this a

billboard of business in Arkansas. I have no need for it. Maybe will leave at the cabin I've rented along the Buffalo River for somebody looking for a restaurant in the area. For me, I got nothing out of my purchase.

Out dated style and little information

was a gift- she loved it!

If you live in, or plan to visit Arkansas, this is great for vacations or long weekend get aways.

I bought this for my Aunt who just moved to Arkansas and she said its a great book. With lots of things to check out.

Informative. Hope to visit some of these places on our vacation this summer.

I bought this for my brother, who lives in Little Rock, Arkansas and loves the state. He is hard to shop for, but seemed really pleased by this. I took a glance through it and got a couple of ideas for the next time I visit him, too.

Out of date!
