Customer Reviews

This book is nutritious for keen observers. The method was tested in the way our food intakes will be more healthier. Breakfast is our solid core for our energy-efficient. And the best part of it, it comes with the daily preparations you don't need to think what will you have on your plate the next day. This book also gives you extra care for our health. Recommended for all not just for Diabetic but also for us who wants to live happy and healthy lifestyle.

Diabetic cookbook is filled with an assortment of great recipes along with a general knowledge of being and cooking for a diabetic. This book explains how diabetes doesn't only affect one person but the entire family and changes need to be made. It helps you get rid of the stuff you shouldn't have in the house and helps you figure out how to cook healthy. This book has some very good info on the disease and some really good recipes.

As it was mentioned in the title, here you will really find a MEGA bundle! A lot of great recipes that you will have to try! I bought this book because of my father and now I have many recipes to choose when I want to cook something to him. Directions are clear and it is easy to cook any recipe from the book.

This is an excellent cookbook. In this book you will find a lot of recipes to control your diabetic. By reading this book you will find diabetic friendly breakfast, lunch and dinner which contain low carb, low sugar, low fat and high protein and much more. I hope you must find this book helpful.

All formulas in this book are finished with insights in regards to cooking time, fixings, heading, serving data and full healthful substance. I would exceedingly prescribe this book to any individual who needs a decent approach to set up and work a decent nourishment design.

The book has some great recipes in it. The nutrition counts are rich information that all diabetic needs to help decide what to eat, when to eat, and how much to eat. I highly recommend this book. Finally helpful this book.

I am sharing this book with my dietitian and other diabetics. This provides more menu options for consideration to keep the menu planning interesting.

Very pleased with this book. Full of great recipes and useful information for diabetic living.
