Customer Reviews

Great book. Loads of images. Better than most adult colouring in books. Excellent art work throughout!

One of my 7 year old grandson's favorite Xmas gifts.

Good - dramatic coloring pages. Good to pair with study of reptiles. Some coloring pages seem repetitive.

My 5 year old loves his coloring book!Great pics and educational descriptions.

My reptile-obsessed 5yo loves this coloring book. I bought it to keep him occupied during a wedding reception with no other kids in attendance. Worked wonders. Nice, clear, large, fairly-detailed illustrations--perfect for a 5yo who loves, loves, loves to color.
