Galapagos Islands Adventure Set

Synopsis

Galapagos Islands Adventure Set consists of a Pocket Naturalist Guide and National Geographic map, ideal, lightweight references to take hiking, driving or boating through this spectacular region. Waterford's folding pocket-sized Galapagos Wildlife guide is a beautifully illustrated reference to over 140 familiar and unique species of animals and includes a map highlighting the locations of the most sought-after species like the Galapagos tortoise. National Geographic's Ecuador & Galapagos Adventure Travel Map is a waterproof, tear-resistant map to the region that provides detailed information on roadways, topography and points of interest.

Customer Reviews

Waterford Press is a Florida based publishing company owned by zoologist James & Jill Kavanagh. Their 25+ years of adventure travel, nature observation and writing have resulted in more than 500 publications to the flora and fauna of most of the world's great eco-tourism destinations, and to the natural world around us. Whether you're jet setting across the globe or camping in North America, National Geographic maps have you covered. Our up-to-date travel maps will ensure that even the newest roads don't throw you for a loop, and our road maps will ensure that you can find your way to your favorite destination, and even home again. Our popular Travel Maps, Trails Illustrated Maps, Adventure Maps, Destination Maps, City Destination Maps are designed to meet the unique needs

of travelers wherever they want to go. All of our travel maps are printed on waterproof and tear-resistant material; capable of withstanding the rigors of travel no matter where you go. The National Geographic Maps/Waterford Press collaboration on the creation of this Adventure Set series marries the best in map publications with the best in regional nature reference guides.

It is exactly what I hoped for... a map and wildlife guide I can carry in my day pack while hiking the Galapagos Islands.

An excellent quality map, I would buy it again.

Scale of island maps was not sufficiently detailed.
