Only about season 1 so some things are not accurate and one page was torn but it is very useful to learn more in depth about the show.

If u love TVD, u should have this book!!

great for a vampire diaries lover like me. comes wioth a poster of the cover but without the extra stuff. worth it if u love the vampire diaries.

It" really great I really love the vampire diaries so thanks so much it's so awesome! I love it! Yay!

Book was in amazing condition

Nice hard bound book with lots of information on the characters and actors. Really like the poster that was included!

The full size poster was not included. This item was the big selling point for buying. There was no indication to my recollection that the book would arrive without the poster. Additionally it was a surprise present and a disappointment. If I weren't so frustrated I probably would have returned. There is value in full disclosure.
