Customer Reviews

There are very few English language tour guided about Martinique. This is my fifth trip to this tropical paradise, and I found this book to be very helpful. Thanks to the author for taking the time to write this helpful book.

The guide really helped with trip planning and I can't wait to use it when I go! I don't speak any French so I found the information about the culture and customs really useful, and the phrases too. There are a lot of things I didn't realize like how restaurants close at different hours in the middle of the day. Thank you!
