Customer Reviews

Enough is Enough!!!! I am a huge fan of Hannah Ford and her work. I WAS a big fan of this series, until now. This story is absolutely dragging on. Charlotte continues to make the same stupid mistakes and in 22 books Noah just become more of a jerk. This story needs to have an end date or

re-evaluate the characters. The books used to come out more frequently but now the amount of time is ridiculous. I had forgotten all about what was going on.

Please make the book 23 the last one for this series. Also make it a lot sooner than you did with book 22. Had to go back and read books 20 & 21 to remember what had happened. I enjoyed the series, but I'm like everyone else this series needs to end.

I can't believe I've read 22 books and this is still continued. The story is very good but they could've put them altogether and had one great book. I really feel I got screwed on this.

Ok come on will you. 22 books and still ????????. Please let 23 be the last and final 1 as I will buy NO more after that, and please not so long between books this time. I have loved the series so far but there is a limit.

am very disappointed in Hannah Ford. Book 22 and I seem nowhere an end to the story. Way too much money spent on this series. Each book is the equivalent of a chapter..all ending in a cliff hanger...very disappointed in Ms. Ford

I liked the story but hardly remember the previous books that led up to book 22 because it has been so long since I read them before this one came out. Also 2.99 each is just too much especially when you are left hanging.

Oh come on, when will this end! Was so looking forward to this and so disappointed when it ended with a cliffhanger.

ENOUGH IS ENOUGH!, along with many others, think this is getting ridiculous! The story is good, but under 100 pages..... and by the time the next one comes out, you forget the story line!!! Authors need to stop this trend! No matter how good of an author you are; you are losing many of your fans! Hold the story and release it all at once!!!! JS
