No More Excuses (10th Anniversary Edition): Be The Man God Made You To Be

Synopsis

Men look up to the guys who can take a hit and keep going. We respect the fighter who picks himself up off the canvas after a knock-out punch and hangs in until the final bell. The quarterback who gets blindsided but doesn't fumble the ball earns our approval. Physical toughness like this is admirable, but it takes more than guts to become the men God made us to be, especially when the struggles we face are personal and close to the heart. The difficulty of emotional pain and spiritual setbacks is of a much different sort than any physical challenge. Many of us men are not comfortable or well-equipped to grapple with them. Tony Evans gives us the kind of advice and inspiration we need to battle on through the most difficult circumstances. Drawing from the lives of Moses, David, Joseph, Jonah, and other biblical men who faced the worst, Evans pulls men out of their brokenness and declares, "No more!" No more falling short of being the man God desires you to be for any reason. Evans shows that the struggles faced yesterday and today are the very same tools God is using to make us better men for tomorrow.

There are so many areas in which a Christian man can fall into temptation and sin, sometimes habitual sin. All Christians need encouragement to remain faithful, but especially men, and this book is directed toward men and the areas where men frequently fail. Since we all have our own unique character flaws and weaknesses, this book by Tony Evans covers all the bases and gives much needed encouragement to men who desire to remain faithful in their daily lives. Tony Evans uses examples from Biblical characters to show how character flaws create disaster for those who succumb to following their worldly desires. We often offer up excuses for our failings, such as "Everyone else is doing it", or "Compared to others, I'm really not all that bad". But Author Evans states that in order to become a Godly man (or woman), we must not have any excuses, thus the title of his book. So while an accountability group is probably the best way to remain faithful, books such as this one are good adjuncts and give insight into what drives sinful behavior and how to avoid the sinful snares. This is a good devotions book for personal study, or alternatively, makes a wonderful group study. It is not easy to be a Christian in today's society. This book will help those trying to live a faithful, holy, and honorable life.

A well written look at taking responsibility for your own actions, prepared in the context of Biblical characters who themselves suffered from and overcame the same disadvantages, setbacks, heartaches and human conditions that we so often use as excuses for our own less than admirable behaviors. Chapters address various often encountered situations and offer guidance for addressing these challenges by comparing these contemporary challenges to those encountered by the disciples. Ultimately, the author offers these comparisons and a manifested faith in God as the tools necessary to put your own problems in perspective and to make the changes necessary to live a better life. A practical guide to restore optimism and to provide the mindset necessary to effect life changing behavior.

This book is a must read. I understand it is 10 years old but when you read it you forget that. It is relevant to the life we live today. Tony explores all the excuses we (men) use as to why we are not good husbands, fathers, friends etc. Tony crushes all of those excuses using the only book that really matters, the Bible. The Biblical references is what makes this book so powerful. It is one thing to read a book where someone is telling you how they made it through hard times. Most of us will read those types of books and think it does not pertain to me personally. However Tony gave Biblical examples that far exceed any struggles we have ever had in life. One of the examples is of

Joseph and how he was imprisoned for all those years. Prison in Biblical times are far worse than they are today despite what stories we hear from those who have been. This book is a life changer, if you open your eyes, ears and hearts to it. It is truly inspirational and I recommend this book to every MAN to read. There is so much I want to write about this book, but I do not want to give it away. There is no excuse in this life for any shortfalls we have. If you read this book I guarantee you will find that whatever you say is holding you back is minor compared to what is in the Bible. So read this book and throw your excuses out the door.

I love the product and would recommend to friends and family. The product arrived on time and I am very satisfied.

I like how he expresses the values, virtues, and spiritual tools that Men from the Bible can show us men of today. So that we can have Christ be in us, our family, and all those that we have influence over. That no matter what we've been through it's never too late to be a Kingdom Man!!!

I am a member of an 65 men Saturday morning bible study group. We are going into our fourth week. I am a Deacon at our church and I have been a Deacon at two churches for the past 20 years. Dr. Evans book brings out so much that a man can not but feel that he is having a closer walk with GOD by reading this book. It helps one understand that GOD wants you to do things that you never thought of. But, you must break out of your shell. You must stand up on your own two feet. Think big the way GOD wants you to. Like the book say not making excuses and just do it. Thanks, Bruno

I sent this book to my fiance ,who is currently incarcerated and it has changed the way he views the world. This book has truly been a God send!!!

This book is a must read for all men especially Christian men IÃfÃ¢Ã â ÑÃ â,,çm going to read it again and use it for future references. Thank Sir Tony
