Customer Reviews

I am impressed, this is a great start to a manga collection. The main character, Rin, meets various Disney characters along the way to help her out on her dancing skills and that's all I can say for now. I will be looking forward to more in this series.

In this manga series we join Rin as she learns to follow her dream of becoming a dancer one step at a time. It seems like her dream gets further away when her dance team tells her how badly she really dances but what happens when Tinker Bell and all of the Disney squad step in and give her pointers to become a better dancer? In this installment Rin learns from Mickey, Stitch, Lilo, Ariel, and Cinderella... well, she also gets to practice with the cute Kai, but we will have to see where that goes

in the next installments! I received a copy of this title in exchange for my unbiased review.
