We're going through this book in our small group. There are definitely good questions in there, but some seem a little bit too obvious/basic. I think it's a good book for a group of people who have not

read Ephesians before, perhaps. But I'd still recommend even if you have, because some of the questions have really gotten us talking deeper about these things!

This book arrived quickly. It's a good Bible study book and I recommend it to others.

good study material

As expected and on time

Well prepared. Very useful for our Life Group study.

I got this for the Wednesday evening Bible Study I teach at our church. The questions are very helpful in generating participation.

Very helpful for my older friend who is studying Ephesians. Thank you.
