Claude King is the discipleship specialist at LifeWay Christian Resources and coauthor of the classic book Experiencing God. He holds degrees from Belmont College and New Orleans Baptist Theological Seminary and lives with his wife in Murfreesboro, Tennessee.

This is a great study for new believers. It helps develop spiritual disciplines with 5 days of light

homework while affirming basic biblical doctrine. It also provides an excellent means to develop spiritual mentors by giving them a means to disciple younger believers. I highly recommend this study for new believers and those who are in the early stages of spiritual maturity.

One of the best Bible study books that I have ever read. Excellent for seasoned Christians to deepen and extend your knowledge of the Bible!

Good product. As advertised.
