I love this calendar. So why 4 stars instead of 5? I wish they would show "wintery" porch scenes for Dec and Jan. I've bought this calendar for years and there has only been a couple of times they have had a winter scene for December. I know during those months it isn't winter everywhere. However, I live in Michigan and know that winter can be very beautiful. I still recommend this lovely calendar. I just wish they would show the different seasons.

This is one of my families favorite calendar!!! My mom, mother-in-law and me love the different colored numbers and we like the photos too. But my sister-in-law thoroughly enjoys the photos of the porches and the information about them . The paper is top quality and the squares are nice and roomy to write on

I've been purchasing Workman's Out on the Porch Calendar since they first started producing them several years ago. I send to several friends who have started to remind me if I'm late. The photos are lovely, different each month, the calendar squares are large enough to write an appointment or two. If you sitting on a porch, whether at the ocean, in the woods, or in a country backyard, you will enjoy five stars worth. There are other Porch calendar copy-cats but stick with the Workman original. The other ones do not compare.

I have to keep positive thoughts going. I have this calendar on the back of my front door. Small house. The different colors for the days of the week is a huge visual help. I love the ocean and these pictures keep me inspired and have even helped me to add to my "wish list" of places to go.

I was looking for something different in a calendar and this one is perfect. Each month provides a beautiful photo of a porch setting and the surrounding environment. It is lovely and exactly what I was hoping t would be.

I purchased this calendar as a gift for a friend. She is so happy with the beautiful pictures in this calendar. She said it calms her down and makes her feel like she is relaxing out on the porch and looking out over the beautiful scenery. It makes a great gift.

My favorite wall calendar because the "porch" is my favorite place in all the world. And if you have a lovely view, you're in heaven.

I love this calendar so much, it's my 4th year getting it. The pictures are gorgeous with short quotes beneath each picture and the actual calendar section for each month has the days in different colors which is fun and unique.
