# Peril At End House: A Hercule Poirot Mystery

## Synopsis

On holiday on the Cornish Riviera, Hercule Poirot is alarmed to hear pretty Nick Buckley describe her recent "accidental brushes with death". First, on a treacherous Cornish hillside, the brakes on her car failed. Then, on a coastal path, a falling boulder missed her by inches. Later, an oil painting fell and almost crushed her in bed. So when Poirot finds a bullet hole in Nick's sun hat, he decides that this girl needs his help. Can he find the would-be killer before he hits his target?

## Book Information

Audible Audio Edition

Listening Length: 5 hours and 46 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: HarperAudio

Audible.com Release Date: July 3, 2012

Detectives #720 in Books > Audible Audiobooks > Fiction & Literature > Historical Fiction #1045 in Books > Mystery, Thriller & Suspense > Mystery > British Detectives

## Customer Reviews

I just discovered Agatha Christie and Poirot this year, and have been obsessed. I enjoyed this book but I found the ending to be a little bit crammed. There were too many twists, which I think took away from the main storyline at the end. I did really like the fact that Hastings is in this book, I find his love/hate bromance with Poirot hilarious and endearing. These two characters have such great chemistry that it alone can liven up a whole book. As far as the other characters, I thought they could be a little bit more developed. I'm not good with names, I love when Agatha Christie describes her characters in such detail that I don't even have to learn their names I just remember their characteristics. I found that I did have to learn the names of most of the characters in this book, which was fine. If we break this book into 3 acts, I'd say the first 2 acts were slow but full of hidden details that are easy to miss. The final act was crammed full of stuff and very fast moving. It's the equivalent of climbing up a slow hill for a very long time only to fall off a cliff! Overall, it's a great read. The mystery is solved and all your dying questions are answered. The twists are not forced like a lot of modern mysteries, there is a method to Christie's madness. If the final act was a teeny

bit less busy and the characters were a little more complex, I would have given this 5 stars.

I thoroughly enjoyed this book. Yes lots of characters but I did not find it hard to keep them in their proper order. A fun great read!

I wear these on day trips when riding a tour bus. They are very important to keep swelling down in the lower legs.

What a mystery to read. Written by the great Agatha Christie. A Must-have book for the mystery lovery

Christie has written another great story. The characters are not very likeable but true to life unfortunately. The plot was good and the end a surprise.

An enjoyable read. It did not have the same depth and intriguing plot as other Christie novels but readers will still have enough mystery and surprise for a satisfactory experience.

It has the usual Agatha Christie plot devices but if you love Christie and M. Poirot then you'll enjoy it.

I've always loved Agatha Christie's Hercule Poirot books I've read them at least twice and I still enjoy them
