Wonderful reading

These five stars have been earned. This mint condition book was received in record time, excellently packaged. And it contains some of Agatha Christie's best short stories.

I love Agatha C so this is great.

Love these books

Fantastic read! Agatha Christie never disappoints. Very affordable and the used book I purchased was in remarkable condition, arriving within a few short days of purchase. I plan on reading everyone of them offered!! No one writes like her, not even close.

I thought that a couple of the short stories were pretty good but for the most part I was bored with them. I thought they were far fetched.
