Say What?: Colloquialisms

Synopsis

Proverbs, Tall Tales, and Humorous Sayings of a Bygone Era Fred G. Wilson's childhood was set against the backdrop of The Great Depression and World War II, formative years that shaped his own character and the character of a nation. "Having a sense of humor seemed to ease the misery of those bygone days," he writes, "and people poked fun at each other and sought to make light of the woes they were experiencing. Out of this era came some colorful, humorous, and enlightened sayings. In every part of our nation, there were colloquial expressions that summed up the feelings of the local region. This book contains some of these. Many of these expressions were learned at home from Mom and Dad. This was before television and we learned to amuse ourselves with home-grown entertainment. Farm work, taking care of the livestock, and the many chores kept us busy. When I reflect back on those days, I wouldn't change them even if I could. Country folk have a language all their own. In *Say What?*, author Fred G. Wilson has gathered many of these expressions in order to save them for future generations, shedding a light on what it was like to grow up during the forties and fifties in rural America.

Book Information

Paperback: 100 pages

Publisher: Outskirts Press (September 30, 2008)

Customer Reviews

My shipment arrived promptly & in great shape. I thoroughly enjoyed reading Fred G. Wilson's book!

This is a delightful and lighthearted glimpse into a time gone by. The humorous sayings and stories are reminiscent of having an afternoon chat in the front porch rockers with a class of Iced Tea in

hand. The author shares snippets of his personal "growing up years on the farm" that leave you longing for those simpler times where people were still considerate to one another as a general rule and children respected their parents with the deference that should be expected. This charming book is a must have for the library. I am going to be buying several this Christmas season knowing that the adults in my family will cherish the history and laughter that comes with this great read!"
