I buy the Gooseberry Patch Appointment Calendar every year. At the beginning of each month there is a full calendar with space for notes. Every week has one page with plenty of room for each day. There are some recipes throughout. At the back of the book is a calendar for the next year and several pages for notes, birthdays, etc. The artwork is whimsical. Everything about this handy calendar is good!

I buy these appointment calendars every year as an organizational tool. One week is covered on each page. There is plenty of room to write on each page. They are colorful, and there are recipes from Gooseberry Patch cookbooks included as well. I look forward to receiving them every year.

These calendars come in handy when traveling or just keeping track of all of your appointments in one location. Great buy and something to keep on your desk year round

Very nice calendae

this desk appointment calendar is a great tool for keeping your activities organized and scheduling appointments. I have used this type for at least 10 years and wouldn't like to be without it.

I love this calendar. It's just the right size for my little desk, and the lined spaces are perfect for writing in notes and appointments.

After using my smartphone for two years, I decided to go back to this calendar. I'm so pleased with my purchase. I find it much easier to open my calendar and see our month at a glance. Thank you, Gooseberry!

Excellent appointment keeper.
