A Taste of Aloha: A Collection of Recipes from the Junior League of Honolulu

I wanted to learn to make food of Hawaiian influence. I found it in this perfect book from Honolulu. The recipes seemed intimidating at first, but after trying the Pineapple duck I am hooked. Love the mesh of flavors, and soon I will be trying the asparagus recipe as it reads so delicious. This book is not simply another cook book. In meaning that it goes from traditional appetizer, drinks, dinners and desserts. It also has a luau section for any day of the week. I would recommend this book to anyone trying Hawaiian cuisine for the first time. This book will go into your collection not leaving the shelf, but remaining on the counter ready for the next meal.

Years ago I edited this cookbook, so I can heartily attest to the fact that it looks and feels great and the recipes are a delight! And it is still a favorite of my ex-husband - now that is an endorsement.

This is a fantastic book. I bought one for my mom and ended up getting one for myself too. The recipes are wonderful and keep me in the Aloha spirit when I'm away from the islands. I highly recommend picking one up because it is now out of print!

This book much like, the Encyclopedia of Cajun and Creole cooking, for Cajun cooking is a must have if you want authentic Hawaiian and oriental food. The book arrived in Great condition and is beautifully put together, There are no pictures but that is cool. The book has wonderful traditional recipes. It is a must have for any in home cook. It will be a valuable resource for my cooking.

Good recipes from the 60's era and older Hawaiian era. Some of these made their way into some of the elegant Hotels such as the Mauna Kea Beach Hotel on the big island of Hawaii.

A classic! I have cooked everything from a Luau to the best hollandaise sauce, macadamia nut pie, and Spinach salad!

great cook book. I'm loving the recipes and look forward trying all the greatness this book has to offer my taste buds!

great recipes, and easy to follow..the Junior League did a great job
