Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too.Ã Â Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

The Berenstain Bears have been my favorite book since I was a little girl. I've even collected them since then. When I first saw this book, I just had to buy it, because I knew it was going to be a really cute book. I was right. I'm also glad that the Berenstain Bears have mentioned God in their stories. These are the type of books I plan on cherishing for a long time, and so should you.

Great!

My daughter usually reads level 1 quite easily but this one is much harder and the sentences are more complex. However we love the theme and she will grow into it.

Read this to my 2 year old and she loved it! Love that it rhymes :)
