I have just received a wonderful photographic essay. Ã¢ÂœNational Parks of The United StatesÃ¢ÂÂ• by Andrew Thomas. The authorÃ¢ÂÂ™s love of the Parks is clearly shown by the way he has lovingly recorded the natural beauty to be found in them. The written notes on each page gives useful information on location, when the Park was created and coupled with the quotations, kept making me long for opportunities or ways to visit them. The photography is outstanding. Each ParkÃ¢ÂÂ™s unique jumps off the page to the viewer. This is must for anyone who loves Parks.
