Regency Romance: Romancing The Duke - Four Book Boxed Set: Clean And Wholesome Historical Romance Book Bundle

Synopsis

SALE - 4 Regency Romances for \$0.99 - 4 for less than 25 cents eachFour complete, sweet clean Regency Romance books. Each book is a complete standalone story and can be read in any order.

The Dukeâ™s DilemmaFollowing the death of her husband, Harriet Fernside returns to live with her parents. Their relationship is strained having disgraced both herself and her family after marrying against their wishes for love, rather than duty. Her sister Marjorie is being groomed to marry the best possible husband she can. Harriet is keen to see Marjorie marry for love though she knows that her own tragic marriage is hardly a convincing argument for love over money. As she watches Marjorie attempt to court the newly eligible Lord Samuel Warren, Duke of Barnstaple, Harriet must also look to her own growing feelings for Lord Warren which quickly move beyond those proper when the man is meant to be courting her sisterâ™s Daughter.

Hearing of his fatherâ™s passing, Francis St. Martin, Duke of Hartford returns from his travels in India. It is his sisterâ™s first season so he decides to take his sister to visit his friend Peterâ™s father, who is a merchant in the fabric trade, to discuss suitable fabrics for dresses. Here he meets Peterâ™s sister Isabella and there is an instant attraction between them but both of them know that the boundaries of society cannot be ignored. Elsewhere plans are afoot to trap Francis into marrying someone who he has not the slightest interest in but Isabella hears of these devilish plans and vows to help Francis even though she knows that her discovery could endanger her familyâ™s business and reputation irretrievablyâ™.

The Dukeâ™s Forbidden LoveWhen Lord Samuel Pemberton takes over his father's business and announces the introduction of new machines to the factory, the workers are set on edge. Only Eliza Allen takes note of the Lord's keen interest in his workers concerns. Lord Pemberton feels he has found an ally in the enigmatic Eliza and hires her to help him run his business. The Dowager, Lady Pemberton, however has marriage on her mind for Lord Samuel and continually tries to lure him from his work to spend time with the beautiful Lady Rose leaving control of the factory to his devious brother John. John is secretly stealing money from the business. Eliza discovers this and attempts to alert Lord Pemberton but to no avail. Will Eliza be able to help Lord Samuel avoid losing his business and marrying a woman clearly only interested in his wealth or will she be destined to lose not only the Dukeâ™s trust and friendship but her livelihood as wellâ™?

The Dukeâ™s DeliveranceSarah Brown has long held aspirations of being a writer since she was a young girl and enjoys telling stories at night to her younger sister to help her sleep. Annoyed by the tendency of young girls to spend their time in writing stories rather than tending to their duties, the local minister, Reverend Connolly, begins to preach against such frivolous writing. He is a man much respected by the community and

particularly Sarah's father. This becomes a major source of antagonism in the family, which is exasperated further when Sarah discovers the minister has designs on her as his wife. Will Sarah be able to hold on to her dreams, and how much of her freedom will be gained or lost by soliciting the attentions of the young Duke who has recently moved into the county? Don't miss these stories of love and hope by Eleanor St Clair. What readers are saying: "Love this author & this book! She writes a great story." "Well written and suspense driven. Story was easy to read. Enjoyed it a lot. Recommended." "Enjoyed reading the Duke's Forbidden Love very much." "Simplicity with a twist. A love story set on emotions, memories, and family." "Thank you for such a tale from the heart!"

Customer Reviews

I really loved this set. All four of stories were good and wholesome. I was able to enjoy the stories without having to worry about explicit sex. I wish, more authors would give the option of reading clean version of their works. The choice should be made by the readers, as to what they want to read.

That is why I support all authors that give that option of reading clean and wholesome stories.

This could have been a much better series if more historical facts had been woven into the plots. Reading it was like eating a chocolate cream puff. Oh, and did I miss the wedding? Several opportunities for ratcheting up the tension were neglected. It seemed the ending was rushed, very unsatisfactory.

I enjoyed the stories in this book set. The descriptions of the characters and their emotions were vivid; the suspense kept me eagerly turning the pages and the romance and the HEA ending made for a very good read

I have very much enjoyed reading this book. Every story was well worth the time to read it. If you read this 4 book deal you will surely enjoy it as much as I have.

Unlike some collections, this set seems to have actually passed through some editing before publication. Only minor spelling errors and awkward grammatical constructions mar the stories. The stories are unexceptional (a word much in use for Regency romances) and do not stray from the expected formula. That said, sprightly dialogue and witty repartee that one expects in this genre are missing. In all, a pleasant few hours of fluff.

These are clever stories but they don't belong in the Regency period. Women weren't pregnant but increasing and didn't attend balls. Couples didn't get engaged but betrothed. And they never, ever would be alone with a non family member male in or out of public. No walks without chaperone or maids....no coffee in a public place.
