Customer Reviews

I love the Eyewitness Travel guides! This book is the same quality as others I have purchased. Great recommendations, maps and details of hours, costs and discounts!

Pretty obvious stuff. If you don't know anything and want to go where tourists go this is the book for

you. Otherwise you can find all this in an hour on the internet.

This is a great little pocket guide, only problem I have is that the print on the map is really small, I have trouble reading it.

Bought this for my wife, who was taking a short trip to SF and she found it helpful. Nicely organized and serves as a quick reference.

I enjoy this travel series, Top 10. Good information in a small book.

good

Another great DK travel guide. I love the pictures!

I bought this book for a quick 3 day trip to Santa Fe and it was interesting and informative. I got a chance to do so many things that I would have never known about if not for this excellent book. Very readable and small enough for your backpack. Map included!!
