Had interesting stories

A quick read. Would recommend to travelers with knowledge of the parks. You may realize how many minor details you missed on your last visit.

Fun for WDW fans.

As someone who visits Walt Disney World on a regular basis, I was happy to discover so many secrets in this book that I hadn't know about. The author really knows his stuff, and this book digs deeper into the background stories of the parks than any other publication I've read. I have the paperback version, and I like the quality and feel, as well as the numerous photos. This is a must read for first time visitors as well as Disney "veterans."

Enjoyed this easy to read book about Walt Disney World! The website [...] that the author has lets you see some of the pictures from the book in color, which is very nice! Thanks Mike Fox!

This book is a wonderful look behind the scenes of WDW. The author gives a lot of facts about the attractions and is an good book
