Customer Reviews

Good book, lots of info in few pages. Needs maps. Does not give a clear idea of the city boundaries and I read the book cover to cover in 8 minutes.

Does not contain enough variety of information. Recommend getting a more comprehensive guide.

Full of very practical info in a short, concise book. Covered all the main attractions. Great for us as first time visitors to the city.

Useless.

I used this book as a base to a quick tour that I had in Melbourne. Not much into details, it is easy and fast to read.
