John Reger writes for The Orange County Register and is the author of Slices and Wit and Wisdom of Golf. He lives in Costa Mesa, California.

Who doesn't love John Wooden? I bought this book for my step sister as she began coaching high school girls basketball. I figured that she could use a few of the quotes in her team meetings. She said that she loved the book and has used it often.

My husband bought this and read several parts to me. John Wooden's quotes are timeless and right on the mark. This is a great book.

great!

The product met my expectation. Only complaint is that it took a month for the product to arrive, but this was understandable considering the large volume order. I just wish the amount of time that it would take would have been made clearer upfront.

John Wooden is one of my 'favorite' coaches. He had many great quotes, and this book covers most of them... 'really' like it!

THIS BOOK IS EASY READING. ALL MATERIAL IS COVERED IN OTHER BOOKS. SAVE THE MONEY AND BUY "COACH WOODEN'S GREATEST SECRET."

This is the book of quotes.....motivational and in its entirety, a snapshot of what an incredible character Coach Wooden was. He was one of those people we all should be able to meet, but you will realize after this book, there was only one Coach Wooden.

Same, my grandsons are athlete's and I want them to be wonderful good and generous adults.
