Trial Warrior's Book Of Wisdom: A Compilation Of Quotes For Success In Law And Life

Synopsis

What is the secret to success? This is both a question and a quest we embark on throughout life, both personally and professionally. The good news is that this wisdom has been handed down over time, by history's greatest thinkers. In the Trial Warrior's Book of Wisdom, 2,500 years of wisdom has been collected, considered, and condensed into bite-size pieces you can return to again and again. With over 500 quotes, this compilation contains wisdom from some of the most influential people throughout history, including ancient Greek, Chinese, and Roman philosophers, America's Founding Fathers, and various other leaders, lawyers, and theologians. Amassing wisdom is a life-long pursuit, but for the serious thinker, its rewards are endless. Wisdom equips us with the tools to overcome life's challenges, and to live a happier and more successful life in and out of the courtroom. The secret to success is wisdom, and it's all here waiting for you.

As Waddington states in the book, the path to wisdom is never ending. Never before has there been a better collection of motivational and inspirational quotes than those compiled in Trial Warrior's

Book of Wisdom. Read them, study them and live by them.

Awesome and entertaining read for any trial lawyer!

This is a very thoughtfully curated collection of quotes - one anyone could find inspiration in. If you like to turn to words to keep you motivated in your endeavors, or appreciate a daily affirmation of sorts, this would be a perfect book to add to your collection.

From Socrates to Twain, Henry Ford to Sun Tzu, Michael Waddington captures one of the most definitive compilations of words to live by in his new book *Warrior's Book of Wisdom*. This is a must read!

A great follow up to *The Art of Trial Warfare*. Read this book when you need inspiration or just want to be entertained by the wisdom passed down from great minds as diverse as Mark Twain and John Adams.

Well documented!! Famous quotes from the wisdom of many people in history. Thank you

Just a book of quotes you can get online for free or on your friend's Facebook page
