# Fiji: A Visit To Paradise For Budget Travellers

## Synopsis

We don't want to compete with a commercial guide book like "Lonely Planet", "Rough Guide" or "Dumont". But if you want to read the detailed and actual information about "our route" and get plenty of money saving tips about transport, accommodation and activities - click "buy"! It will make it much easier for you to follow us and to spend less of your money, but more of your precious time on Fiji - by far the favorite destination of our one year trip! When we started, for three reasons our idea of traveling was exactly not to follow the typical tourist track (or trap): first, we simply didn't have enough money; second, we wanted to do it "our way"; third, we wanted to get in touch with the real culture, the way of living, the local people etc. After having spent 3 months on Fiji and visiting 15 of the 332 Islands, we were convinced that now we had found, what we had been looking for in Cambodia, Thailand, Malaysia, the Philippines and Australia: a piece of PARADISE, in the "ocean of peace", made by nature, climate, culture and "PEOPLE! Of course, we had been reading the books mentioned above for getting the standard information about history, culture etc. And we desperately wanted to see all the recommended places: white sandy beaches, abundant lush green jungle, amazing waterfalls and colorful coral reefs. But we couldn't read anything about Simon, Ba, Aggie, Kenny, Andrew, Vio, Rosa or Lisa and their fascinating personalities! And if we had followed the guide books, now we actually wouldn't know how extraordinary helpful, friendly, happy and joyful the people on Fiji are. And what to do, if reality is even beyond your dreams? And if you realize that the trip is exceeding your highest expectations - but not your budget? We decided to write it down, for our memories and for those of you, who want to follow us! And when you start reading our stories and adventures perhaps you feel the urge to visit the marvelous jungle and the fantastic surf break of Taveuni; or you want to snorkel with the majestic Manta rays in the colorful coral reefs of "Barefoot Island"; or you want to have the same mind-blowing experience of diving with dangerous bull-sharks next to "Beqa Island" or just enjoy the extremely relaxed atmosphere of "Bamboo" and "Beachouse"... By sharing with you our awesome travel experiences we try to bring you closer to the exotic culture and the marvelous people! But finally, we hope that after reading our book you are well prepared to follow us to Fiji - the PARADISE made by PEOPLE!
