# The Beginner's Guide To Animal Communication: How To Listen And Talk With Your Animal Friends

## **Synopsis**

The ability to communicate with animals is not a rare gift, but a skill we all possess. On The Beginner's Guide to Animal Communication, author and teacher Carol Gurney brings nearly 20 years of experience in interpreting the language of animals to anyone seeking a heart-to-heart connection with the special companions in their lives. From developing intuition into the thoughts and feelings of animals, to learning how to verify the information you receive, here is an illuminating course of useful exercises and expert guidance to help listeners open to the unconditional love animals freely offer.

## **Customer Reviews**

This CD was just the perfect length. I enjoyed the author's tales and loved the meditations. She has a very soothing voice and makes the process quite easy. I still have more work to do on communicating with my animals, but I really enjoyed this beginners CD.

it says it is for beginners..it is well explained and easy to do..if you are an animal lover then please get this...special!

Have reviewed some books and cds...I am looking to be able to telepathically communicate w/animals in case they need to communicate w/their care givers w/problems, pain etc. This book has the best by far information, directions, and meditations. I actually borrowed it from a friend at church and had to have my own copy. I also ordered the author's cds w/the meditations. It is

absolutely amazing how this works :) I LOVE !!!!!

I am still enjoying this wonderful guide on how to communicate with your animals. (pets) I also got the book. Both have really useful tools.

Great Book, amazing author!

Carol Gurney gives easy instructions to communicate with animals! It's amazing and she has such a soothing voice! I'm so glad I purchased this!

Perfect

I listen to the CD over and over - and because one's mind drifts you always hear something new the next time around. I believe you especially hear what you need to hear. I utilize the guided imagery and meditation daily. I am really excited about learning to communicate with animals - all of them!
