That Time In Venice (Love Unexpected Book 6)

Synopsis

She has never forgotten Venice. Neither has he. Reed Stewart is busy with his daughter. Anika Taylor is busy with her career. Then they run into each other years after a trip that turned their lives upside down. When Reed hires Anika's interior design firm to redecorate his home, the attraction between them burns just as strong as ever. But Anika has a painful secret. If she shares it, she runs the risk of losing Reed for good.

Customer Reviews

Another good installment in the Love Unexpected series. Loved Anika and Reed. And little Brielle was the cutest. I kinda wanted Anika to hold out a little longer, but Reed's fine a** wasn't having it. I couldn't blame her, lol. My heart went out to Anika after learning her secret, but things worked out beautifully for her. Couldn't believe Nanette and her foolishness. Reed definitely handled that better than I would have. Thanks for another good read, Delaney Diamond!

I love this series and loved this book! Anika and Reed have a history of one fantastic week in

Venice during college that ended in heartbreak. They reconnect by coincidence when he hires her firm to decorate his new home. I enjoy stories with children because they require the author to place the dating adults in realistic situations. I especially enjoy stories that include responsible single fathers. I hope there is more to this series.

Reed and Anika's story truly touched my heart. Two people on vacation straight out of college falling in love but one is scared to voice their feelings. After seven years they found one another by coincidence the connection they shared on vacation was still there. Because of something that happened to Anika during her teenage years that made her feel unworthy of being loved. I enjoyed this book it is a must read.

I hope the series continues cause I love all the Love Unexpected books. Every couple brought something different to the story and it was beautiful. I'm glad Reed and Anika, were connect again after Venicel enjoyed reading their love story. Great fan of Delaney Diamond books and ready to more

The Love Unexpected series did not disappoint. Reed and Anika's story was cute, heartfelt and moving. I love catching up with couples from previous books. I love how their family lives intertwine. I thought the series ended with One of the Guys. I am glad I was wrong and hope to see more!

I was really turned off with the h. I'm not a fan of weak women and she was from the beginning of the story. I was really tempted to stop reading it. But I persevered to the end. This was more 1 of Delaney's best works

While this book as well as any novel from Delaney is worth the wait and it has been a long time coming... I couldn't help missing some intense, spicey romance in this edition of love unexpected. With each previous book the intensity increased more..... I guess I'm selfish I need more!!!!

I have read all the books in the series and liked them all. What I like most is ms. Diamond's writing style. I gave this one 4 stars instead of 5, because I felt she could have elaborated a bit more on some issues. For instance, nowhere in the story does Anika ask about Brielle's mother. Which is strange. We learn in the beginning that she is dead and towards the end that they had a long distance relationship.
